Learn, love and flourish together

Newsletter no. 25 Spring Term – Friday 18<sup>th</sup> March 2022

Dear Parents and Carers,

Thank you so much to our wonderful Witley families who have given so generously this week to some very important causes. On Wednesday we dressed in blue and yellow for Ukraine and Year 1 made peace doves. We raised £263 which we will send to DEC (Disaster Emergencies Committee).

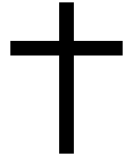

Miss Mainwaring and Mrs Graham led our whole school assembly reflecting on how we all need help at some point in our lives and that God sees and hears the conflict in Ukraine.

We prayed that the war will come to an end soon and that people could find forgiveness and the World could be a better place for everyone.

John 3:16 (NIV)

*For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.*

Our children will be performing a special Easter Assembly for parents and siblings on **Monday, 28<sup>th</sup> March at 2.30 pm** in the Playground. If it rains we will retreat to the Jubilee Hall. Unfortunately we cannot extend this invitation to extended family.

We know how much our Year 2 have missed out on whole school experiences so they will be taking centre stage!

Thank you to everyone who brought in clothing for the Rag Bag Recycling. We raised £104. We will organise another collection in the summer term, so please put your clothing to one side. Unfortunately we now have so much second hand uniform that we cannot accept any more at the moment.

You may have heard from the children that we had a drone overhead yesterday. I can confirm that this was approved by the Civil Aviation Authority and the focus was All Saints Church and their boundary. The remote pilot is registered with public liability insurance. It caused a lot of excitement!

In preparation for parent consultations at the end of the month the office are trialling our new Arbor system. You will have received a welcome email and details inviting you to join, along with your login details. As with most systems we do envisage a few teething problems, but please do not panic if a parent has received an email and you haven't. If you do encounter any issues, please let us know and we will endeavour to resolve them as quickly as possible. Thank you for your patience.

Finally, don't forget to check out the School dates page at the bottom of our newsletter.

Have a safe weekend,  
Mrs Szczepanski
