

Fun Science Club

Dear Parents and Carers

I am thrilled to be returning to Witley Infant School to offer the Fun Science after school club for the Autumn term. This is an interactive club where the children complete a variety of hands on experiments and often get something to take home.

The club is suitable for children in years 1 and 2. Unfortunately I cannot open the club to year R due to staffing ratio requirements.

The club will be running on Fridays from 13th September to 18th October. The block costs £48 (£8/session).

Based on how popular the club was when I was last in the school I anticipate spaces going quite quickly. If you are not successful in getting a place for the first half term please email me to be added to the waiting list for the second half term.

To book onto the club please use this link: <https://tinyurl.com/WitleySeptember>

Please visit <https://fun-science.org.uk/fun-science-terms-and-conditions/> to view our terms and conditions before booking.

Many Thanks

Sarah Bishop
