Our value this half term is joy

A glad heart makes a cheerful face - Proverbs 15:13

Dear Parents and Carers

This week our pupils have been learning about the digital world, creating avatars, discussing openly about the games they play and learning about life online!

At Witley we use ProjectEVOLVE which is a digital literacy toolkit that supports online development in children and young people. It helps our staff educate, guide and support children through their use of technology in their online life now and in the future.

Starting this month parents will receive our Witley Online Safety Newsletter with lots of information which will keep you up to date with the latest news. Our February edition is attached. Look out for our handy Parental Controls guide after half term!

Don't forget we are closed tomorrow for INSET Day. Wishing you all a very enjoyable half term wherever you may be!

Mrs Szczepanski

National Education Union members have voted to hold industrial action on several non-consecutive dates.

The next dates planned are:

Thursday 2nd March,

Wednesday 15th March and Thursday 16th March.

At present, there are no plans to close or partially close the school.

Following DfE guidance, we will make every effort to remain open; however, there may be some disruption to the normal running of the school and the delivery of our planned curriculum on these dates.
