Dear Everyone

Next Wednesday, 17th May is National Numeracy Day. Check out the number heroes competition on the next page. Visit <https://www.nationalnumeracy.org.uk/numeracyday> and you could win a fantastic prize for yourself and a prize bundle for school.

The National Numeracy website has lots of engaging number fun activities.

It also has some great ideas to build your own skills to help support your child with maths.

Why not take a look?

Our Lego Club run by Mrs Graham and Mrs Barrows, on a Wednesday lunchtime, is proving to be very popular!

Have a lovely weekend and I hope to see some of you at Witstock tomorrow!

Sensational Experiences

BAREFOOT AND BUCKETS

This program emanates childhood days past.

A traditional TimberNook program where young children have unique play experiences that challenge their mind and body in beautiful natural settings, followed by hours of play. They'll be doing everything from building dams to alter the flow of water to creating clever castles in the woods. And so much more!

I would like to invite your children to join us for an adventure this May Half Term. TimberNook Chiddingfold will be running on Tuesday 30th May and Wednesday 31st May from 9:30 - 12. Suitable for children 4 - 11 years old. For more information please email me at Libbie.palmer@timbernook.com or visit the website below. Please also follow TimberNook Chiddingfold on Facebook for updates and future events.
